#### INDEPENDENT AUDITORS' REPORT

To the members of QUEBEC PUBLIC INTEREST RESEARCH GROUP (CONCORDIA)

We have audited the balance sheet of QUEBEC PUBLIC INTEREST RESEARCH GROUP (CONCORDIA) which comprise the statement of financial position as at August 31, 2016 and the statements of operations, changes in net asset and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We concluded our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from materiel misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. These procedures selected depend on auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in circumstances, but not for the purpose of expressing an opinion on effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of QUEBEC PUBLIC INTEREST RESEARCH GROUP (CONCORDIA) as at August 31, 2016 and its financial performance and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.
